SPRING 2020

MILTON OLSON, CHAIRMAN

Town of Weston Web Site

The Town's web site has been revised so that you can request a copy of agendas and minutes as soon as they are posted and it is also more user-friendly. Check out our web site at <http://www.townofwestonwi.com> to stay informed.

Road Projects

The town applied for three grants last fall. We received one to help in rebuilding Kramer Lane in 2021. We did not receive the grant for rebuilding Ross Ave and are still waiting to find out about the project to rebuild Gusman Road.

Spring Roadside Yard Material & Brush Pick-Up

Will be the week of May 11. The west side of CR-X would likely be on that Wednesday and the east side of CR-X would be Friday. Check the Village web site for any changes due to the weather.

Spring Bulk-Item Drop-Off

(www.westonwi.gov/RefuseRecyclingGuide). The annual Village and Town of Weston **Spring Bulk-Item Drop-Off** is set to occur Thursday, May 14th, from 8am-4pm, Friday, May 15th, from 8am-4pm, and Saturday, May 16th, 8am-2pm, and to be held again at Advanced Disposal Services, located at 5509 Fuller Street.

The items that will be accepted include: **Non-Metal Items, Furniture, Carpeting, Scrap Lumber, Mattresses, and Glass Windows**. Please be aware that address verification will be required, and we may be limiting residents to 2 or 3 trips.

Please be aware that only residential properties that pay the annual refuse and recycling service fee on their tax bill are eligible for this service. If you are unsure if your property qualifies, please call 715-359-6114.

Town Walking Path

The town has completed a walking path in the Home Sweet Home subdivision. The trail is on the corner of Whispering Pine and Easter St. and goes over to Hawthorne Lane. The town already owned the right of way and we used our parkland dedication fee money to construct the trail.

I would like to thank those that helped in making this possible. County Concrete donated the bin blocks that were used to support the bridge in order to cross the wet land. The gravel for the trail was donated by Jim Wanserski, Vistas at Greenwood Hills. Salzman Trucking donated the precast concrete, staff and equipment to move the concrete and gravel. Braiden Hall organized the Boy Scouts and leaders to clear the brush, and level the gravel, and constructed the railing. Braiden has earned his Eagle Scout badge with the completing of this walking path.

Town of Weston Residents

As we look forward to 2020, I would encourage you to become more involved in town government this year. It can be as simple as attending some meetings or perusing through meeting agendas and minutes to educate yourself on how local government operates. If you have more time, please talk to me about being on a town committees or commission vacancy or go “all in” and run for an elected position. I believe that serving in local government for a short time is a great community service and a good education on local government works. If you have any questions on anything, please feel free to reach out to me or any of the other Board members and we will do our best to answer your questions or address your concerns.

Refuse & Recycling

You should have received your 2020 Refuse & Recycling Guide, which we ask that you keep as a reference for the entire 2020 year. However, if you do accidentally “recycle” your guidebook, you can contact us to have a new copy sent, or better yet, you can find an electronic version on our website: www.westonwi.gov/RefuseRecycling-Guidelines.

Let's Make Recycling More Successful By “Recycling Right”!

NEVER EVER place the following in your recycling cart:

- Garbage
- Plastic bags or film
- Grease-soaked or soiled paper products
- Large plastic items
- Batteries, light bulbs, or waste oil
- Household hazardous waste

ALWAYS check the Village's Refuse & Recycling Guide for a list of items required to be recycled (available at: www.westonwi.gov/RefuseRecycling-Guidelines).

IF IN DOUBT: Call the Marathon County Solid Waste & Recycling Information Line: 877-2703989, Advanced Disposal Services: 715-3596637, or the Village of Weston 715-359-6114.

REMINDER: The yard-waste site is located at 8200 Ryan Street, Weston, or you can contact Advanced Disposal for a dedicated yard-waste recycling cart (at a cost).

CORRECTION TO 2020 RECYCLING CALENDAR Following the publication of the 2020 Refuse/ Recycling Newsletter, which you would have received in the mail around the 2nd week of January, it was noticed there was an error on the Recycling Calendar (June and November recycling weeks). Please check the web site for a corrected copy.

Property Tax Collection

The first property tax installment payments were due January 31, 2020, to the Town of Weston. Any balances due after January 31, 2020, need to be paid to Marathon County. No reminder notices will be sent.
